Winter at Ela Excellence Resort Belek:

RECHARGE

From November 16, 2025 to March 31, 2026, we offer a special experience for everyone who wants to get away from the hectic pace of life in a calm and peaceful atmosphere in the heart of nature.

Within the scope of our “Recharge” concept, we purify not only the bodies but also the minds of our guests with yoga and meditation workshops inspired by the healing power of nature, carefully designed detox programs, holistic massage therapies and sound therapies. You will feel the relaxing effect of the water in our heated pools and rediscover themselves thanks to the moments you spend in touch with nature.

A DEEP HEALING EXPERIENCE EVERY MOMENT AT ELA EXCELLENCE RESORT BELEK

A period of mental and physical renewal begins in the ELA World. The Recharge concept, specially developed for Ela Excellence Resort Belek, is being offered between November 16, 2025 and March 31, 2026. To cleanse yourself from the negative effects of the fast-paced life, Recharge experiences designed for your body and soul are waiting for you with expert professionals. For reservation and detailed information; callcenter@elahotels.com | 444 1 352

WELCOME TO THE MOST PEACEFUL VACATION EXPERIENCE OF YOUR LIFE

WELCOME

Welcoming

Welcoming

Guests are welcomed in the lobby by Ela Assistant staff. Valet service is available. Special welcome drinks are offered during check-in.

Water and wet wipes are offered to our guests arriving by car during check-out. There are 4 charging stations for electric vehicles in the parking lot area within the facility for a fee.

Check-in procedures of our guests are carried out by Ela Assistant staff. Ela Assistant employees accompany our guests to their rooms and provide all information about the facility and room usage. For the convenience and comfort of our guests during early check-in and late check-out, the Comfort Zone with showers, changing rooms and relaxation areas and the 24/7 Ela Anatolian restaurant in the lobby are available for service.

Ela Assistant employees request the mobile phone numbers of the guests according to their communication preferences in order to ensure that the possible needs of our guests during their holidays are met instantly and from a single source. They create groups for instant messaging in accordance with Personal Data Protection Law (KVKK).

Check-In / Room Check-in Procedures

Check-in time is 14.00 at the earliest. In case of early arrival, guests can be accommodated in the lobby until the room is ready.

Check-Out / Room Check-out Procedures

Check-out / Room Check-out time is 12.00 noon at the latest in order to serve the next guests. In case of a late check-out / room check-out request, requests will be evaluated within the fee based on availability.

Valid Credit Cards

Mastercard, Amex, Visa, Eurocard

Currency

Turkish Lira - ₺, Euro - €, US Dollar - \$, Pound Sterling - £ are accepted currencies for cash payments.

Languages Spoken

Turkish, English, German, Russian

Wireless Internet Access

Free wireless internet service is available to all guests in their rooms and within the hotel grounds.

Visitor Rules

During this hospitality, tea, coffee and water are offered to external visitors. Visitors must show their passport or ID card at the entrance. Visitors are not allowed to enter the guest rooms due to security procedures. Hotel guests are responsible for their visitors at all times. Visits exceeding 30 minutes will be charged as daily hotel usage. For consumption other than the specified refreshments, the guest who accepts visitors is responsible for the payments for the related extra expenses. Visitors over two people will also be processed with the information and approval of the relevant manager. Guests who come to the door security without informing the hotel of the guest staying at the hotel are not admitted without the information and approval of the relevant guest. In this case, the hotel management cannot be held responsible for possible complaints.

Pet Policy

Pets are not allowed in the rooms or common areas of the hotel.

Age Limit for Accommodation

For individual hotel reservation and check-in procedures, the guest must be over 18 years of age and present a valid ID.

ELA HEARTFELT SERVICES

Experience the true warmth of Turkish hospitality with unparalleled luxury. Our dedicated team is passionate about delivering exceptional service that leaves a lasting impression on every guest. From the moment you arrive, we are here to make your stay extraordinary.

LET YOUR PERSONALIZED VACATION EXPERIENCE BEGIN.

ELA ASSISTANT

Guests staying in all room types of Ela Excellence Resort Belek benefit from Ela Assistant services in accordance with our concept within their approval. Ela Assistant is a privileged personal assistant service. The team, consisting of qualified employees with language skills appropriate to the nationality of our guests, deals with all requests and needs of the guests starting from the check-in process until they leave the facility, within the framework of a one-to-one service approach.

The service period is between 08.00 - 24.00 every day.

Communication with guests is provided via smart technological communication devices (tablet, phone). In case of possible requests of the guests during 24:00 - 08:00 hours, the CRM Line number 1000 is activated and the principle of 24-hour, uninterrupted personalized service continues.

THAT WILL MAKE YOUR VACATION UNFORGETTABLE

PREMIER ROOF TOP SUITE

Main Building | 150 m2 | Duplex | 2 Adults + 2 Children or 3 Adults

Located in the main building, Premier Roof Top Suite offers a spacious and luxurious accommodation of 150 m². Featuring parquet floors, a large balcony and a terrace, this special suite provides a comfortable living space for its guests with both a living room and a bedroom. The suite is one of the facilities offered to make your vacation even more special with its spaciousness and elegance.

While the first floor welcomes its guests with a modern and comfortable seating group; details such as adjustable central air conditioning system and mini bar increase your comfort. Complemented with parquet floors, satellite TV and telephone, this floor also has facilities such as toilet and hair dryer to meet your personal needs. Offering an area where you can relax comfortably, this floor stands out with its modern details. On the second floor, you can pamper yourself with a double bed, a terrace with jacuzzi and a large sunbathing area. With its bathroom with bathtub, bathrobe and slippers sets, cosmetic mirror and mini bar, every detail has been considered for your comfort.

Sunbathing on the sun loungers and relaxing in the jacuzzi on the terrace, this suite offers every opportunity to make your vacation unforgettable. The modern living area on the first floor and the spacious bedroom on the second floor offer a different kind of tranquility on both floors. Both the elegance of the interior and the pleasure of relaxing on the terrace await you in this suite.

GRAND ROOF TOP SUITE

Main Building | 235 m2 | Duplex | 4 Adults + 1 Child or 5 Adults

The king-size bed and jacuzzi bath provide the perfect setting for relaxation and rejuvenation.

Located in the main building, Grand Roof Top Suite offers a unique accommodation to its guests with its two-story structure and spacious living areas.

The living room on the first floor offers elegance and comfort together with its parquet floor and modern seating group. An interconnecting door provides access to the Superior Sea View room. Modern equipment such as central air conditioning, mini bar and coffee capsules create a comfortable relaxing environment. Shower, toilet and personal care products are also available on this floor. The large balcony allows you to enjoy the Mediterranean Sea view all day long.

The bedroom on the second floor provides the perfect relaxation area with a king-size bed and a jacuzzi bathroom. Equipped with features such as parquet floors, central air conditioning and mini bar, this room takes comfort to the next level. The bedroom with an open terrace allows you to spend time outdoors with a sun terrace and sun loungers, while you can have pleasant moments in the jacuzzi. Amenities such as satellite TV, digital safe and telephone are available on both floors.

While watching the sunset on the terrace, you can spend pleasant moments in the jacuzzi and leave all your tiredness behind. These suites, where comfort and elegance meet, offer every detail that will make your vacation unforgettable.

KING SUITE

Main Building | 375 m2 | Duplex | 4 Adults + 1 Child or 5 Adults

The King Suite combines elegant design and functionality, offering guests a unique accommodation experience. Located on the first floor, the spacious living room and dining room gain a luxurious touch with parquet and marble floors. The fully equipped kitchen allows guests to cook in the comfort of home, while the luxurious seating sets and dining area create an elegant atmosphere. In addition, the work desk and large balcony offer spacious areas to be used for work or relaxation. Modern features such as adjustable central air conditioning and satellite TV bring comfort to the highest level.

Located on the second floor, the bedrooms have been carefully designed for guests to experience comfort and luxury together. The first bedroom, with its high-quality twin beds, spacious sofa set and bathroom with bathtub, offers both elegance and comfort. With parquet and marble floors, this room offers a peaceful retreat with a view of the outside from the balcony. In this room, privileged services such as mini bar, satellite TV and bathrobes are also thought to offer a complete holiday experience.

The master bedroom offers the ultimate in luxury. With its walk-in closet, Josephine recliner and Jacuzzi bath, this room offers guests moments of relaxation and pleasure. The jacuzzi and sunbathing area on the terrace allows you to spend time relaxing in the enchanting atmosphere of the Mediterranean Sea. At night, while watching the stars in the jacuzzi on the terrace, you will feel completely free, away from the noise of the city, with only the sound of gentle waves coming from the sea.

VILLA SULTAN PALACE

Villa Area | 794 m2 | Garden Area 886 m2 | Duplex | 10 Adults + 2 Children

While swimming in your private pool, the magic of nature in the garden will surround you and you will enjoy every moment. Villa Sultan Palace is located close to the sandy beach and offers its guests a luxurious accommodation experience in the heart of nature. This magnificent two-story villa is perfect for families or large groups with its spacious living and dining room, fully equipped kitchen and five bedrooms in total. Downstairs there is a small bedroom and two single beds, while upstairs there are four bedrooms with French beds. The 65 m² private heated pool and jacuzzi area in the garden is ideal for relaxation and enjoyment at any time of the day.

Villa Sultan Palace offers its guests not only comfort but also special services and makes you feel special as soon as you step into your vacation. Details such as private butler service, Ala Carte breakfast at La Sofa and private barbecue service once a week will make your holiday even more unforgettable. Inside the villa, there are spacious living areas equipped with privileges such as Turkish bath, sauna and fitness center. The 886 m² garden offers a paradise of tranquility. Equipped with a dining table, sun loungers, hammock and gazebo, this area offers the opportunity to relax in touch with nature. While spending time on the large terrace overlooking the sea or by the pool, this luxury villa, where every detail has been carefully thought out, offers its guests a perfect combination of both peace and luxury. Lying in a hammock in the large garden and relaxing in the peaceful breezes of the Mediterranean Sea, you will forget how time passes. With the Turkish bath, sauna and jacuzzi areas offered in your villa, you will turn every moment into an unforgettable experience.

You can send your SPA reservation cancellations and change requests to the Spa Center desk, your Guest Experience Assistant or to us via extension no. 1000.

ELAZEN SPA & WELLNESS

With 50 years of history, skin and body treatments, which come to the forefront with special cosmetic products with "Respect and Love for Nature" as their principle and foundation, are among the most preferred SPA rituals. Special protocols and innovative formulas are offered for each skin type that support the restoration of the skin's natural rhythm to achieve intense, instant and lasting beauty, strengthen the skin barrier, rebuild its overall health, fight aging with valuable active ingredients, and give the skin an intense, fresh, youthful and firm appearance with the effect of lifting facial contours.

ELAZEN SPA, which prefers environmentally friendly products in all cosmetics; It offers you cosmetics produced with innovative and high-tech methods based on cosmetic recipes that do not leave carbon footprints, protect traditional harvesting and production processes, are manufactured with environmental sensitivity, and contain rich natural active ingredients obtained from healing natural stones, medicinal and aromatic plants.

TRADITIONAL TURKISH BATH

The Turkish Bath culture, which has existed since ancient times, aims to refresh the body and soul, revitalize the body and experience a feeling of renewal. Healing water purification treatments, nourished by the traditional Turkish bath culture that relieves your physical and mental fatigue and calms your ego, are among the most preferred rituals. Our hammam ritual ends with the Water Greeting Ceremony, followed by a purifying scrub application and silky foam touch on your skin prepared for purification with the gentle heat of steam and stone in the relaxing environment of the authentic hammam.

MASSAGES

Extracts of medicinal plants, holistic natural aromas and oil blends are combined with healing massage and rituals to offer a unique experience in harmony. A variety of massage techniques blended with the ancient wisdom of the East and West will bring you physical and spiritual peace, you will feel your tiredness flowing away and you will have a unique experience. In our carefully crafted massage collection, we offer you a wide range of massages from the Classic Swedish Massage developed by Swedish Doctor Per Henrik Ling in 1812, to relaxing

Mediterranean Aromatherapy, authentic Far Eastern and holistic Indian Ayurvedic rituals, to healing Remedial therapies. Touches applied to the whole body stimulate the nervous system, regulate blood and lymph circulation, detoxify and mentally relax.

AYURVEDIC HOLISTIC RITUALS

Ayurveda, which means "Science of Life" in Sanskrit, is a 5000-year-old natural healing system rooted in the Vedic culture of India and is a set of wisdoms that helps human beings to stay balanced and fit in every way while realizing the upper limit of their human potential. It considers the human being as a whole with nature and lifestyle and builds its own healing system on this basis. One of the most important cornerstones of the treatment system is Ayurvedic massage. Ayurvedic healing rituals treat the body and mind as a whole. In this massage practice, the necessary life energy is transferred to the body systems in order for the body to repair, refresh and renew itself and for the mind to calm and calm down. It cleanses all the negative energy accumulated in the body, relieves tension in the muscles, strengthens the body, prevents premature aging and stops wrinkles.

HAIRDRESSER SALON TREATMENTS

Our salon offers barber services, hair design, hair coloring, keratin care, hand and foot care, nail design and trendy braids and hairstyles for young people and children.

IDEAL BODY CARE

Thanks to ozone sauna, pressotherapy device, seaweed treatments, massage techniques; It offers effective results in body shaping by reducing regional fat and cellulite.

WELLNESS REST & JACUZUZI POOL AREA

It is our quiet relaxation area reserved for our guests after spa treatments.

ELA ENTERTAINMENT & ACTIVITIES EXPERIENCES

Dive into a world of adventure and excitement with our extensive portfolio at Ela Excellence Resort Belek. Whether you choose to explore the azure waters of the Mediterranean, take part in exciting water sports or relax by the pool, create unforgettable moments and memories that will last a lifetime.

IN PURSUIT OF EXCELLENCE

In addition to the perfect vacation experience we offer, we act with the mission of keeping environmental sustainability at the highest level. The certificates of excellence we have earned as the fruit of our devoted efforts reflect our corporate standards and environmental sensitivity. We are proud to bring our guests together with our privileged accommodation experience and to be crowned with these awards for our efforts.

Sustainable Tourism Certificate

As a result of our efforts to protect natural and cultural resources and our sustainable tourism practices, we were awarded our 3-stage sustainability certificate.

Sustainable Green Energy Certificate

Due to the fact that the electricity used in our business is provided from green energy sources, we were entitled to receive I REC certificate within the scope of Sustainable Green Energy.

Environmentally Responsible Accommodation Facility Certificate

We were awarded the Environmentally Responsible Accommodation Facility Certificate by the Ministry of Culture and Tourism, especially with our practices in environmental issues such as waste management, energy and water saving.

Travelife Certificate

We ensure continuity in energy saving and environmental issues within the scope of sustainability.

Child Friendly Tourism Certificate

As a result of our efforts to ensure that our child guests can spend their vacations in a safe and fun way, we were awarded the Child Friendly Tourism Certificate.

ISO 14001:2015 Environmental Management System

We were deemed worthy of this certificate as a result of our efforts to minimize environmental impacts and for a sustainable tourism approach.

ISO 50001:2018 Energy Management System

We have been awarded the certificate for providing and implementing all the processes required by the standard in energy saving.

ISO 22000:2018 Food Safety Management System

With this certificate, which covers food processing processes from start to finish, we have guaranteed the reliability of every meal and beverage we offer to our guests.

ISO 9001:2015 Quality Management System

We have demonstrated our quality standards as a result of our efforts to keep our guests' satisfaction at the highest level.

ISO 10002:2018 Customer Satisfaction Management System

On our way to provide our guests with an unforgettable holiday experience, we have been awarded this certificate as a result of our efforts.

ISO 45001:2018 Occupational Health and Safety Management System

We have received the ISO 45001:2018 certificate in return for the importance we attach to occupational health and safety and the work we have implemented. As Ela Excellence, we are proud to share our service understanding that always aims for the best with you, our valued guests. By adopting the principle of sustainability, we will continue to keep our environmental responsibility at the highest level.

IMPORTANT INFORMATION

1. Officially certified premium quality products and brands are used in all food and service offerings throughout the resort.
2. Guests who are allergic to any food should inform Ela Assistant staff when they enter the facility. Otherwise, the hotel management is not responsible for any problems that may arise.
3. According to the T.R. laws dated 19.05.2008, smoking is prohibited indoors in general use.
4. Pets are not accepted to our facility.
5. The entrance time to the facility is 14.00 at the earliest and the departure time from the facility is 12.00 at the latest. Even if the room is delivered on time, there may be an extra charge for the use of facility services after 12.00 due to the All Inclusive Concept.
6. Dress code may apply in some restaurants and bars in the facility.
7. Motorized watercraft cannot be used within the swimming boundaries.
8. All consumables, boucle, towels, mini bar contents, cosmetic products served in the rooms are served within the scope of the all-inclusive package for daily use within the facility. It is not appropriate to take these materials out of the facility.
9. The hotel management reserves the right to make unilateral and unilateral changes indefinitely regarding the services and information contained in this guide.
10. In our facility, hygiene and health measures and other life safety measures are meticulously implemented for our guests and employees. Continuous controls are provided by the relevant ministry, relevant official institutions and organizations.
11. All our guests and employees are obliged to comply with occupational health and safety measures.
12. Guests who disturb the peace in the facility, exhibit behavior contrary to the rules of morality, behave in a manner that puts the safety of other guests and employees at risk, insult, swear, use physical violence against the institution, guests and employees, steal, use drugs, put their own health and the environment at risk as a result of excessive alcohol consumption, intentionally damage hotel property, equipment, intentionally create a fire risk, may be removed from the facility, even if their accommodation period continues with the decision to be taken by the management when necessary. In this case, whether or not the remaining accommodation amounts will be refunded depends on the unilateral decision of the hotel management. The hotel reserves its rights against all kinds of damages arising in such cases against the person or persons causing the relevant damage.
13. Tour operators and agencies accept and undertake that the latest updated versions of these concepts, which they are currently publishing, will be valid as an integral part of the contracts and agreements, in addition to the signed contracts, upon receipt of the message, and that they will update this information simultaneously in their sales and marketing channels.
14. Air conditioning operating hours are seasonally adjusted by the automation system according to the outside weather conditions in order to provide maximum comfort.
15. Alcoholic beverages and tobacco products are not sold to guests under the age of 18.

16. Alcohol service is not served to our guests who have health risks and/or excessive alcohol consumption or who are observed to have health and behavioral risks due to alcohol consumption or other reasons related to alcohol consumption, or service may be temporarily suspended in this context. This situation cannot be the subject of a complaint.
17. The hotel management reserves the right to make unilateral changes in the hours, application methods, contents of all services and services in the Fact Sheet due to weather conditions and similar unavoidable reasons.
18. The days on which restaurants and bars will be closed may be changed by the hotel management depending on weather conditions and reservation requests.
19. It is not suitable for hygiene and safety to take food, beverages and equipment from food and beverage units to outside areas.
20. Bathroom amenities (shampoo, shower gel, various materials) are provided daily according to the number of people. Additional requests on the same day are subject to extra charge.
21. The information letter containing the general rules of the facility is additionally declared to all guests at the entrance against signature.
22. Mini bar is renewed 1 time daily. Additional requests during the day are subject to a fee.
23. Room cleaning is done once a day. Additional requests during the day are subject to a fee.
24. Regarding the sun loungers occupied without being used for a long time, the hotel authorities may take the towels and similar personal belongings on the sun loungers into custody and make the sun loungers empty. In this case, the hotel management cannot be held responsible for the items to be declared lost.
25. It is forbidden to fish and hunt with all kinds of methods within the swimming borders.
26. Roller skates, scooters, skateboards, etc. cannot be used within the facility (lobby / closed areas).
27. Drone and similar vehicles cannot be used within the facility.
28. All kinds of food and beverage brands used in food and beverage services may not be offered with the declared brands due to delays in customs, procurement, deadlines and supply. At this stage, the facility may offer a product of close quality to the service.
29. Tour operators and agencies agree that these concepts, which they are currently publishing, will be valid within the scope of signed contracts and that they will update this information simultaneously in their sales and marketing channels.
30. The auxiliary equipment and equipment of disabled guests regarding the use of the facility, session and reservation priority in the food and beverage areas are taken into consideration by the facility management and employees.
31. No external visitors are accepted to the hotel after 18:00 pm.
32. You can access all our current fact sheets, images, logos and videos of Ela Excellence Resort Belek from the link media.elaresort.com.
